

KUSHAL KUMAR K

IT Infrastructure Engineer

Phone: (+91) 9611961693

Email : Kushalkumark7996@gmail.com

Objective:

Aiming to obtain a position as an IT Infrastructure Engineer to employ strong technical background in system and user administration, installing and maintaining hardware and software, and troubleshooting system issues.

Summary:

I am an IT Infrastructure Engineer with 3+ years of experience in developing, configuring, maintaining and troubleshooting server and network infrastructure. I have strong technical skills in the areas of software and hardware installation, network security and performance optimization. I have a proven track record of successfully managing and deploying IT projects, as well as delivering high- quality customer service. I am a highly motivated individual with excellent problem- solving skills and a commitment to excellence.

Core Skills:

- Systems Administration
- Network Design and Configuration
- Server Management (Linux, Windows)
- Data Center Management
- Cloud Computing Solutions (Azure)
- Software/Hardware Installation
- Scripting (PowerShell, Python)
- Project Management
- Advanced Troubleshooting
- Security (Firewalls, Encryption)

Responsibilities:

- Managed and maintained IT infrastructure, network, and system security.
- Installed and configured servers, operating systems, and software applications.
- Provided technical support for end users and troubleshoot computer problems.
- Performed system administration tasks including patching, backups, and user account creation.
- Monitored system performance and proactively addressed any issues.
- Developed and implemented disaster recovery plans and security policies.
- Implemented network and system design changes to improve performance.
- Administered Active Directory and Group Policy.
- Performed system and security audits to ensure compliance with internal and external standards.

Professional Experience:

- Company: L&T Technology Services
- Designation: Engineer
- Duration : 26/4/2021 till Present
- Experience : 3+ years

Education:

- Degree : BE in Electronics and communication | JSSATE, Bangalore | 2019 | 7.3
- Diploma: Government engineering college Ramanagaram | 2016 | 75%
